2015 Scholarship Recipients

The Theta Tau Educational Foundation is pleased to announce the recipients of its 2015 Scholarship Program! This year we have twelve recipients in a variety of engineering disciplines and from school's across the nation. Those honored held a grade point average above 3.4 with several at/near 4.0. All have served their chapter and other student and community organizations, and have promising engineering careers ahead!

These dozen join eight honored earlier this year as [All Academic Team](#) Captains for their Region. [Learn more](#) about each alumnus who has endowed the scholarships below. Your support and generosity in annual and planned giving helps us fulfill the Educational Foundation's mission. **Thanks for your past and continued support of our young Brothers!**
