

## Second Century Society

In addition, over 30 members have joined the Second Century Society by remembering the Foundation in their estate plans. You too can provide assistance to our Fraternity and Foundation beyond even your own lifetime. Contact the Central Office (800/264-1904 or [educational.foundation@thetatau.org](mailto:educational.foundation@thetatau.org)) for more information on the Second Century Society!

We greatly thank these Second Century Society members who have informed the Central Office that they have remembered Theta Tau in their estate plans:
