RISK MANAGEMENT COMPLIANCE

[Alcohol & Risk Management Policies](#)

Risk Management policies adopted and in effect are an integral part of helping to keep our friends and members safe, and our liability insurance rates low. In 2010, there was an addition to those policies requiring that chapters educate about the Risk Management Policies; to increase awareness of its requirements to all chapter members; **and** to communicate that awareness to your Regional Director (via signed Risk Management form).

- Please see the policy found at the link above
- Note the requirements under the heading "Officer Responsibilities"

'Submit the completed page to your Regional Director(s) within 10 days of the start of the school year.

LIABILITY INSURANCE

Liability Insurance Program Description

The Central Office emailed Invoices for General Liability, Directors and Officers, and Crime/Fidelity Insurance to each house corporation, chapter, and colony. Invoice amounts are based on a **3 year average of members measured each spring**. The per person rate is **\$125/\$35** per person for housed/unhoused, however,

the minimum per chapter is \$1850/\$385 housed/unhoused. The minimum per colony is \$250. This first increase in premiums is the **direct result** of failure to abide by "best practices" in the area of risk management, new member education, and timely completion of the Online Pledge Form. Your chapter also has the opportunity to recognize savings (**20% discount**) in the annual cost via adoption one of the New Member Education Models and **notifying us of same via this form**. (The maximum discount per chapter is limited to 20% for all available credits.) Liability Insurance invoices were issued from the Central Office and are due by October 15.

Housed chapters of Theta Tau that carry their property/fire insurance with the Favor Company should pay premiums in a timely manner directly to Denver. Do not allow your property/fire insurance to lapse due to non-payment – the risk is too great!

Thanks to the many chapters who have already made very timely payment of this obligation, especially to **Kappa Beta Chapter** and the **Stony Brook Colony** which were the first to remit payment.
