The timely collection of Fees, Dues, etc is an important function of any organization. Financial resources are necessary to fulfill mission and achieve goals. The chapter's insistence on payment from all members often prevents resentment from building among Brothers.

Moreover, it prevents those who have fallen behind from alienating themselves from the chapter. The services linked above are available after one-on-one efforts have failed yield results.

Officer Election Report, Membership Status, and Co-op Reports were due by January 15, but can be completed any time after December graduation. Please use the Initiation Report worksheet in the NCR link above to report Fall initiates within 2 weeks of the initiation date.

Consistent with practice for the last couple years, each chapter is to contemporaneously maintain record of activities, events, and member participation via the Annual Report files above. In completing this contemporaneously, your chapter will automatically/continuously be completing the Annual Report (the attendance/ participation sheet is linked to the annual report sheets). Regular tracking and reporting in this manner will be beneficial to your chapter and its members and improve the overall positive fraternity experience we wish for all our Brothers while at the same time potentially mitigate increasingly strident university oversight.
