TRAVEL ADVISORY

As some of you travel to regional conferences this month, the fraternity wants you to be aware of a risk factor that is currently in the media spotlight: 2019-nCoV or the Novel Coronavirus has frozen travel in various parts of the world and is currently being assessed by the World Health Organization. Symptoms of 2019-nCoV include fever, a dry cough, and shortness of breath, and has an incubation period between 2 and 14 days. If you are traveling through a major international hub in the US and start to show symptoms, we advise you to consult a medical professional. If you are currently sick, even with just a cold, we would advise you cancel or reschedule your plans, as a compromised immune system could make you more vulnerable to 2019-nCoV.

Good tips for prevention:

- Wash your hands regularly and especially before meals;
- Avoid contact with people who are ill;
- Avoid touching your eyes, nose, and mouth with unwashed hands;
- Don't eat raw, or undercooked food;
- Avoid contact with animals and animal products.

CONVENTION 2020 REGISTRATION OPENS SOON

Convention will be held from **August 6th-9th at the Grand Hyatt Tampa**. Every chapter or colony is required to send 2 delegates. Our block of rooms is \$139/night (not including taxes or other fees).
